This manual is designed to provide an overview and Quick Steps to process theAppState Careers Applicant Tracking (Posting and Hiring Proposal) modules.

This manual provides Quick Steps for:
- Creating a Posting Page 2
- Viewing a Posting Page 3
- Modifying a Posting Page 4
- Viewing an Application Page 5
- Changing an Applicant Workflow Page 6
- Hiring Proposal Workflow Page 7
- Viewing Inbox and Watch List Page 8
- Viewing Watch List Page 8
- Saving a Search Page 9

**Workflow - Temporary**

1. **Posting Workflow**
   Postings are submitted to and approved by Human Resources.

2. **Applicant Workflow**
   Applicants apply to the Posting via the Web Portal. All applicants create an account and upload pertinent documents.

3. **Hiring Proposal Workflow**
   After the Hiring Manager selects the most qualified Applicant, the Hiring Proposal can begin.
Creating a Posting – Temporary

Step 1. Select the Hire Module from the top-left corner of the screen

Step 2. Select the correct User Group if authorized (Data Entry, Department Head, Hiring Manager, etc.)

You will receive a message at the top of the screen indicating that you are now viewing as a member of the group you selected.

Step 3. Select Postings-Temporary (across the top middle of the screen).

Step 4. Click the orange box on the right side of the screen.

Step 5. Choose Create from Posting from the pop-up box. You may select Create from Position Type instead, however a new posting using this option is almost completely blank.

Step 6. Search for the desired Posting (or Position Number) from which to copy.

Step 7. If the posting looks like the one you want to use, click the Create Posting from this Posting option on the right side of the screen.
Step 8. On the next page, change Working Title (and other fields) if needed. Clicking Next will save and move to the next section.

Step 9. Scroll down under the Interest Card area, please choose the last option Then, click Create New Posting in the orange box at the top or bottom of the screen.

Step 10. Once you complete all sections, you will be on the Summary page. Verify that each section is valid with a . If section is not valid, you must click Edit to correct.

Step 11. When you are satisfied all data is accurate, click and select the desired Workflow Action.

Step 12. Add desired Comments. Comments are emailed to the next approver in the workflow and cannot be removed.

If you would like to add the new posting to your Watchlist, click the ribbon in the top right of the newly created posting Add to Watch List.
Step 1. Select the Hire Module from the top-left corner of the screen.

Step 2. Select Postings-Temporary (across the top middle of the screen).

Step 3. Your default search will automatically execute or you can click on Saved Searches and select the desired search.

Step 4. You can create a new Ad Hoc search by entering new search criteria or clicking the More Search Options drop-down and choosing which columns you would like to appear on your search.

Step 5. Once the search results are displayed at the bottom of the screen, you can move columns, sort and delete columns by hovering over a column title and clicking an icon:
- **< >** = move the column to the left/right
- **^ v** = sort ascending/descending
- **X** = delete the column

Step 6. To save this new Ad Hoc search, click Save this search? and enter the name of the search. You may choose to make this your default search during this time. Then click Save this Search.

Step 7. To export the query results to Excel, click Actions and then Export results.

Step 8. To view specific details about a position, go to the end of the row, click Actions and then View.

Step 9. You can view Summary or History.
Modifying a Posting – Temporary

- Changes cannot be made to open Postings.
- Changes can only be made by certain Current Groups and to Postings in a certain workflow state.

**Step 1.** Select the Hire Module from the top-left corner of the screen

![Hire Module Image]

Changing an Applicant Workflow – Temporary

**Step 1.** Select the Hire Module from the top-left corner of the screen

**Step 2.** Select the correct Current Group if authorized (Department Head, Dean, VC, etc.) You will receive a message at the top of the screen indicating that you are now viewing as a member of the group you selected.

**Step 3.** Select the Postings tab.

**Step 4.** Select the Temporary posting type.

**Step 5.** Search for the desired Position (use more search options for added columns).

**Step 6.** To view all applications for that position, click on the Applicants tab.

**Step 7.** To view a specific application, click on the applicant’s first name.

**Step 8.** After choosing the applicant, select at the top right of the screen.

**Step 9.** Select the appropriate Workflow Action.
The Posting must have the Applicant in the correct Workflow State (Recommend for Hire) before the Hiring Proposal can begin.

*Note: Before beginning the Hiring Proposal, change Current Group to your highest level so you can submit up to the next level.*

**Step 1.** Select the Hire Module from the top-left corner of the screen.

**Step 2.** Select the **Postings** tab (across the top middle of the screen).

**Step 3.** Select the **Temporary** Posting type.

**Step 4.** Search for the desired Position (use more search options for added columns).

**Step 5.** To view all applications for that position, click on the Applicants tab under the orange box.

**Step 6.** Click on the Name of the applicant who is in the *Recommend for Hire* Workflow State.

**Step 7.** Click on **Start Hiring Proposal** under the orange box.

**Step 8.** Confirm the Posting and click **Start Hiring Proposal**.

**Step 9.** Complete the required fields on each section.

**Note:** Clicking **Next >>** will save and move to the next section.

**Step 10.** After completing all sections, you will be on the Hiring Proposal Summary page. Verify that each section is valid by the ✔️ on the left. If a section is not complete, a 🚨 will appear. Click **Edit** to go back and complete that section.

**Step 11.** When you are satisfied all data is valid, and select the appropriate workflow action based on your Current Group (submit to your supervisor).
**Viewing Inbox**

**Step 1.** Select Positions or Hire from the upper left of the screen.

**Step 2.** Your inbox will appear in the middle of the screen.

<table>
<thead>
<tr>
<th>Inbox</th>
<th>Posts</th>
<th>Hiring Proposals</th>
<th>Position Actions</th>
<th>Onboarding Tasks</th>
<th>Special Handling Lists</th>
</tr>
</thead>
<tbody>
<tr>
<td>SEARCH</td>
<td>TITLE</td>
<td>CURRENT STATE</td>
<td>DAYS IN CURRENT STATE</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Step 3.** Click the appropriate tab to see your available actions.

**Step 4.** If you have actions, click on the Title of the Position.

**Step 5.** After you validate the fields, click "Take Action" and select the desired workflow action. If the Posting is in the Hiring Proposal state, you will have the option "Take Action On Hiring Proposal".

*Note: The Actions will vary based on the Position or Posting user and workflow state.*

**Viewing Watch List**

**Step 1.** Select Positions or Hire from the upper left of the screen.

**Step 2.** The Watch List section will appear near the bottom of your screen.

<table>
<thead>
<tr>
<th>Watch List</th>
<th>Posts</th>
<th>Hiring Proposals</th>
<th>Position Actions</th>
</tr>
</thead>
<tbody>
<tr>
<td>SEARCH</td>
<td>Unwatch Postings</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Step 3.** A list of Postings, Hiring Proposals and Position Actions you have checked to watch will be displayed.

**Step 4.** Click on the Job Title to view each item in your Watch List.

**Step 5.** To remove an item from your Watch List, click on the blue ribbon beside the Job Title.
Saving a Search

Step 1. Select Positions or Hire from the upper left of screen.

Step 2. Change to the desired Current Group in the top right corner of the screen (Data Entry, Supervisor, etc.).

You will receive a bar at the top of your screen indicating that you are now viewing as a member of the group you selected.

Step 3. Select the desired action (Position Descriptions if you chose ‘Positions’ or Postings/Hiring Proposals if you chose ‘Hire’) and select the type from the list (SHRA, EHRA Non Faculty, etc.).

a. **Note:** SHRA Position Actions or EHRA Position Actions will display all positions with a current action whereas SHRA or EHRA shows only those approved with no current action.

Step 4. To create a new search:

a. Enter your desired keyword and click Search. Your results will display at the bottom of the screen.

b. Click More Search Options to add more columns and set defaults.

c. From the Add Column drop down you can select columns to add to the search results. Add as many as desired.

d. If you are searching SHRA Position Descriptions or EHRA Non Faculty Position Descriptions, you can select a desired Department to create a departmental search.

e. You can now move columns around into desired positions (or even delete if not needed):
   1. To move a column, hover over the column at the bottom of the screen.
   2. There are several choices:
      1) Move the column to the left/right
      2) Sort ascending/descending
      3) Delete the column

f. Notice this search folder is temporarily saved. To save it, click Make it the default search if desired.

g. Provide a search name.

h. Click Save this Search.

Step 5. You can open a Saved Search by hovering over Saved Searches and selecting from the drop down list. (Saved searches apply to the type of search you are performing and the Current Group you have selected.) You can then modify the saved search and save it with a new name if desired.

Step 6. To export the query results to Excel, click Actions and Export results.
