The purpose of this guide is to provide instruction and orientation to the AppState Careers system for the Search Committee Chair. The Search Committee Chair will be involved with the Position Management and Applicant Tracking modules. This document will concentrate on the Search Committee Chair’s role in the Workflow of the Applicant statuses, supplemental questions (and scoring), evaluative criteria and evaluating applicants.

This is a high level workflow of the PeopleAdmin Modules:

1.0 APPLICANT TRACKING

1.1 Select Applicant Tracking:

If you are not in the Applicant Tracking module, select it from the dropdown list and change your Current Group to Search Committee Chair.

1.2 Update Profile

You can set your Profile to a default module (Position Management or Applicant Tracking) and default Current Group.
To review the Pending Actions of a Position or Posting, go to Applicant Tracking and use your Inbox or the Home page.

- Click Inbox, then the Position Actions tab.

- Or, click the Home tab.

**Note:** You may have to scroll down to see more.
Methods to review a Posting include Watch List, Home Page, or Postings.

- Using the Watch List:
  - From the Home Page:
  - From the Postings Folder:

- From the Home Page:

- From the Postings Folder:

  (1) You can simply click on the desired Posting Name.

  (2) You can hover mouse over Actions and select an Action.
Evaluative criteria can be used by the Search Committee to rank applicants based on responses to certain criteria/questions. Evaluative criteria can also be used to allow the search committee to score applicants on subjective factors (presentation skills, confidence, etc.). The rankings entered by the individual committee members are all visible to the Search Committee Chair. Applicants are ranked based on how the criteria is weighted, along with the point system for each applicant response.

To add evaluative criteria, access the Evaluative Criteria section in the Posting.

A list of criteria is available to choose from or you may create your own.
Details will appear after clicking the box next to a criteria item.

Click [Submit] to add the criteria to your Evaluative Criteria items. After you have selected all the items you want to use in your evaluation/ranking, you will need to add a Weight for each of the criteria items. The weights of all the Criteria items combined must total 100. Points need to be entered for each of the Possible Rankings.

If you want to remove a criterion, you can click the gray x and the end of the criterion row. Be aware that it will be ignored in the scores already given to any applicants and the message below indicates.
1.6 Methods to Review Applicants

To begin reviewing applicants for a Posting, access the Applicant Tracking Module and search for the desired Posting.

Select the desired Posting from the results at the bottom of the screen. As shown below, there are several options: (1) click the Posting Name, (2) click the Actions out to the right of the desired Posting and (3) click the checkboxes, then click the Actions button.
(1) Click the Posting Name

- Brings up Posting details with choices:
  - Click the Actions:
    - View Posting brings up the Posting details. See (1) above.
    - View Applicants will go directly to the Applicant folder of the Posting details and display the Applicants at the bottom of the screen.

(2) Click the Actions:

- Allows you to View Posting or View Applicants

  View Posting brings up the Posting details. See (1) above.
  View Applicants will go directly to the Applicant folder of the Posting details and display the Applicants at the bottom of the screen.
(3) Click the checkboxes to the left of the First Name column and then the Actions button:

1. Select all, some or one Applicant.

2. Click the Actions button.

3. Select a desired Action from the list.
Once the Applicants have been accessed, there are several Actions needed including reviewing the applicant application and documents; evaluating, and moving the application in the workflow.

- **One Applicant at a time:**

  Click the applicant’s name or click View Applications under Actions.

  Under the Summary folder, scroll down through the application details.

  When ready, click Take Action on Job Application and select a Workflow Action from the list.
Multiple Applicants at a time:

1. Select all, some or one Applicant.
2. Click the Actions button.
3. Select a desired Action from the list.

Evaluate Applicants: Once the applications have been reviewed, the committee members can perform their evaluations (number 3 in the above screenshot).

Click the applicant’s name if you need to review details.

Select an answer for each Evaluative Criteria.

Scroll down to continue to the next applicant.

Click Save to continue later; click Next when finished.
Once evaluations have been completed, scores will be generated:

**Note:** You can click on the applicant name to review score detail.

- **Download Applicants Evaluations:** This will create an Excel file of how each Search Committee member evaluated the applicants. The rankings entered by the individual committee members are all visible to the Search Committee Chair.

- **Review Screening Question Answers:** This will show Answer Statistics by question for the screening (supplemental) questions as answered by the applicants.

- **Download Screening Question Answers:** This will create an Excel file with each applicant’s answers to the screening (supplemental) questions as answered on their applications.

- **Download Applications as PDF:** This will allow you to generate a PDF document of all of the desired applicants checked.
Move in Workflow: This will allow you to move the selected applicants in the workflow.

1. Change all applicants.

2. Change exceptions.

3. Click Save changes when done.
Notice that only the 3 qualified applicants are now displayed.

The Search Committee Chair will move the applicants along in the workflow until a Finalist is selected. After the Finalist is selected, the Hiring Proposal phase can begin.
Quick Steps – Viewing Inbox

1. Select \(\text{APPLICANT TRACKING} \) or \(\text{POSITION MANAGEMENT} \) from the drop down (upper right corner).
2. Click \(\text{Inbox} \) (top right of the screen).
3. Click \(\text{Actions} \) tab.
4. If you have actions, on the row of the desired record, click \(\text{Actions} \) and then \(\text{View} \).
5. After you validate the fields, click \(\text{Take Action} \) or \(\text{Take Action On Hiring Proposal} \) and select the appropriate workflow status.

Note: Actions will varying based on the Position/Posting status and the workflow status.

Quick Steps – Viewing Watch List

1. Select \(\text{APPLICANT TRACKING} \) or \(\text{POSITION MANAGEMENT} \) from the drop down (upper right corner).
